

TEMPLE PREPARATION TENT CARD:

To Make: Print the following pattern. See lesson #15 in Young Women Manual 2 for lesson ideas. Color, cut out, and fold card to stand up.

Activity: Help young women create an eternal family by entering the right choices on their own personalized temple tent card. They can write things they will do to prepare for temple marriage.

Ideas: Be morally clean, respect and support the priesthood, pay tithing, practice the law of the fast, be honest, obey the Word of Wisdom, set a good example, maintain clean speech, pray regularly, honor parents, choose a worthy companion, obey all of God's commandments.

TEMPLE MARRIAGE PANEL:

With the bishop's help, gather together a panel to discuss temple marriage. Choose recently married couples, older couples, and a recently sealed family.

Have young women write questions ahead of time, asking the bishop to direct a few.

MARRIAGE MUSEUM:

Create a museum of potential marriage companions. Create life-size silhouettes of couples out of colored craft paper and display them on the wall. Divide young women into two teams and give them a marker.

1. Assign one group of young women to write on one silhouette positive traits for an eternal mate that would lead them to an eternal marriage. Assign the second group to write on another silhouette those traits that would lead them away from a temple marriage.
2. Have young women share their lists of ideas.
