Activity: Create this sacred triangle mobile to remind young women of the sacred triangle of eternal marriage (God, husband, and wife). Help young women make the promise by memorizing the promise on the triangle. Remind young women that marriage is a sacred promise, and Heavenly Father and Jesus want us to be married in the temple, sealed to our husband and children forever. Families can be together forever with Heavenly Father's plan of temple marriage.

Triangle Activity: Help young women write things they will do to prepare to enter the temple and live a righteous life:

- Read scriptures
- Learn about Jesus Christ

- Choose a worthy companion

Have young women hang the triangle in their room as a reminder.
